

FACTS

Skandiform is one of Scandinavia's leading suppliers of furniture for offices, public premises and unique working environments. Our head office is in Vinslöv, Skåne, and we have showrooms in Stockholm, Gothenburg, Oslo and New York. We have customers in Sweden, other European countries and elsewhere in the world.

Over the years Skandiform has received many distinctions. In 1998 our MobyDisc furniture range received the "Excellent Swedish Design" award for its innovative design and creative solutions for ergonomic workplaces. The chair Oak won "The annual furniture award" in 2001 and the chair Core won "The golden chair award" in 2005.

Skandiform employs a staff of 30. Our products should be of contemporary design, with good function and quality at a market price. We place great emphasis on logistics and efficient administration, enabling us to provide highly reliable deliveries and ensure that our customers are satisfied.

Our winning concept is based on a high level of market knowledge, a genuine interest in furniture and environments, and close collaboration with leading designers. Together with our partners and our customers, we have had an exciting journey since 1962. 2012 is a jubilee year for Skandiform.

Our vision –Scandinavian Sense –describes the essence of the way we balance feelings with common sense in what we do!
