

# FACTS

Skandiform is one of Scandinavia's leading suppliers of furniture for offices, public premises and unique working environments. Our head office is in Vinslöv, Skåne, and we have showrooms in Stockholm, Gothenburg and Oslo. Our customers come from Sweden and other European countries, the USA and Australia.

Skandiform employs a staff of 28. Our products should be of contemporary design, with good function and quality at a market price. We place great emphasis on logistics and efficient administration, enabling us to provide highly reliable deliveries and ensure that our customers are satisfied.

Our winning concept is based on a high level of market knowledge, a genuine interest in furniture and environments, and close collaboration with leading designers. This close cooperation has brought us many prestigious design awards. In partnership with our business contacts and customers, we have enjoyed a period of great achievement and success over the past five decades.

Our vision –Scandinavian Sense –describes the essence of the way we balance feelings with common sense in what we do!
