SKANDIFORM COLOUR COLLECTION (RAL)

Having difficulty deciding? Finding mixing and matching a challenge? Skandiform Colour Collection will help you to chart your way in a landscape of colours. Natural shades come together with earth tones for calm harmony. Colours for those who want to stand out are met with tones that clash with each other in exactly the right way. The light and pared back. The dark and muted. Skandiform's world is beautiful and colourful, classic and elegant. And now also easy to navigate.
